## + Employment

### Freelance Web Developer

2004 - Present

The Maven Gang

The Maven Gang is the name for our outsourcing services - founded in 2004 to capitalize on the rising demand for online writers, multimedia, and web developers. More information can be found on oDesk and Elance.

### Editor/Layout Artist

2005 - 2010

Adept Publications

Handled the copy editing and layout requirements of the publication's three magazines in Queensland, Australia. It includes photograph and article selection for printing.

### Copywriter/Publicist

2001 - 2004

Timbre Communications, Inc

Managed and produced publicity campaigns for clients through press releases, advertising, and event management. The company is a public relations agency.

### Publicist

1999 - 2000

Empire International

Handled all written communication in and outside the organization. Successfully promoted media awareness of the company's brand products such as [Baywatch](#) and the World Wrestling Federation (WWF) brand. Empire International is a brand franchising company that holds Philippine licenses for several multi-national brands.

### Reporter

1998 - 1999

Malaya

[Malaya](#) is an English daily newspaper in the Philippines. I wrote police beat and feature stories, focusing on Eastern and Central Manila. I also practiced investigative reporting. Here's a sample [police story](#).

## + Education

### Bachelor of Arts, Major in Journalism

1990 - 1995

University of Santo Tomas, Philippines

Studied [Journalism](#) in the vernacular and English style with major focuses on newswriting, headline writing, print layouting, and photojournalism. The course also involved development of in-depth research abilities and creative problem solving.

I received an award for the final thesis. I ranked in the top 20 of our batch.
